Instructions for Purchaser

Payment of Taxes. The purchaser of an all-terrain vehicle (ATV) or utility-type vehicle (UTV) must present the white and blue copies of this statement to the county treasurer or other designated county official within 30 days from the date of purchase, and pay the Nebraska and local sales or use tax. The date of purchase is the earlier of two dates: the date on the ATV or UTV title; or the date of possession, as evidenced by the Nebraska Sales and Use Tax Statement for All-Terrain Vehicle (ATV) and Utility-Type Vehicle (UTV) Sales, Form 6ATV. The purchaser should retain a copy of this statement for a period of at least five years.

Penalty and Interest. If the total sales or use tax is not paid within 30 days of the purchase date, the county treasurer or designated county official will assess and collect penalty and interest at the statutory rate. If you have any questions regarding the due date, or penalty and interest rates, please contact your local county treasurer's office, or contact the Nebraska Department of Revenue (Department) at 800-742-7474 (NE and IA) or revenue.nebraska.gov.

Sales Tax Paid to Another State. An ATV or UTV purchased in another state (with sales tax properly paid to the other state) and

titled in Nebraska, is subject to use tax at the time of application for title in Nebraska. The total sales tax paid in that state will be credited toward the total state and local use tax due in Nebraska. No refund will be made if the other state's tax rate exceeds the total Nebraska and local use tax rate.

Line 2. The amounts allowed as a trade-in for an ATV or UTV and trailer must be separately identified and entered on the appropriate lines of Form 6ATV and Form 6, respectively.

Line 3. No refund will be made if the tax base results in a negative amount.

Exemptions. If the transfer of title to the ATV or UTV described on this statement is exempt from sales and use taxes, the Nebraska Resale or Exempt Sale Certificate for ATV and UTV Sales, located on the front of this statement, must be completed prior to making application for a title.

The purchaser must present documentation that supports the sales or use tax exemption. If the documentation is not sufficient, the county treasurer or other designated county official is authorized to collect the sales tax. The purchaser may submit a claim to the Department requesting a refund of the sales tax and fees paid.

Instructions for Seller

ATV and UTV Dealers or Licensed Permitholders. Effective October 1, 2014, ATV and UTV dealers and licensed permitholders will no longer collect the Nebraska and local sales tax at the time an ATV or UTV is sold. At the time of sale, the dealer, or sales tax permitholder, must complete a Nebraska Sales and Use Tax Statement for All-Terrain Vehicle (ATV) and Utility-Type Vehicle (UTV) Sales, Form 6ATV, for every sale of an ATV or UTV. If an ATV or UTV trailer is sold, in addition to completing Form 6ATV, the dealer must also complete a Nebraska Sales/Use Tax and Tire Fee Statement for Motor Vehicles and Trailer Sales, Form 6.

The colored copies of Form 6ATV should be distributed in the following manner:

1. The pink copy must be retained with your business records;
2. The green copy must be mailed with the Nebraska and Local Sales and Use Tax Return, Form 10; and
3. The white and blue copies must be given to the purchaser.

The sales price on line 1 must include charges for destination charges, import custom fees, surcharges, service and maintenance agreements, document processing charges, charges for warranty transfers, and dealer-installed options.

Local Sales and Use Taxes. If the purchaser took possession at the seller's location, use the **local sales and use tax rate at the seller's address to calculate the amount of local tax owed. If the seller delivered the ATV or UTV to a different location, use the local sales and use tax rate at the delivery location.**

Person Without a Sales Tax Permit. Even if a person is not licensed to collect sales tax, he or she must complete this statement for every sale of an ATV or UTV. The colored copies should be distributed in the following manner:

1. The pink copy must be retained with your records; and
2. The white and blue copies must be given to the purchaser.

A person can only accept another ATV or UTV as a trade-in to reduce the total sales price of the purchased ATV or UTV.

Instructions for County Treasurers and Other Designated County Officials

Collection of Taxes. The county treasurer or other designated county official must collect and remit the state and applicable local sales and use taxes at the time the purchaser makes application for a title.

The white and blue copies of this statement must be receipted in the space provided for validation. The blue copy must be returned to the purchaser. Counties are required to maintain the white copy of this form and provide copies to the Department upon request.

Local Sales and Use Taxes. Refer to questions A and B to assist you in determining the proper local sales tax to collect. **If the seller indicates that the purchaser took delivery of the ATV or UTV at the seller's address, you must collect the local sales tax based on the seller's address regardless of where the ATV or UTV is titled.**

Example: A person who lives in Lincoln purchases and takes delivery of an ATV at the dealer's Omaha location. The purchaser

titles the ATV in Lincoln. The Lancaster County Treasurer must collect and report the Omaha city sales tax.

If the ATV or UTV is delivered to the purchaser's address or some other address, you are required to collect the local sales tax based on the purchaser's address or the other address that was indicated.

Example: A person who lives in Hastings purchases an ATV from a dealer located in Grand Island and has the Grand Island dealer deliver it to their residence in Hastings. The Adams County Treasurer must collect and report the Hastings city sales tax.

Collection of Penalty and Interest. If the appropriate sales or use tax is not paid within 30 days of the purchase date, penalty and interest must be collected at the statutory rate from the due date through the date of payment. If the due date falls on a Saturday, Sunday, or a holiday, the purchaser may still pay the amount due on the next business day without incurring penalty and interest.
